Description / Ref

MAN Kat A1 15t 8x8 with Twistlocks - 40069

Photo (a gallery of photos is provided below - *where available*)

Details

The MAN KAT A1 2.9mtr was developed by MAN trucks to accommodate loads with high centres of gravity.

The high ground clearance for rough terrain coupled with the wider axles makes this chassis cab suited to the addition of:

Water tanker truck 15,000 litre capacity.

Diesel tanker truck 15,000 litre capacity.

Drilling platform.

Service unit for quarry work.

Standard all terrain cargo truck etc...

The condition of these trucks is as new with only 10,000 - 30,000km. They have been used for testing systems only.

Additional information:

Load area 7.2m x 2.44m

Load area 1.54m from ground

Ground clearance 0.41m

Max cruise speed 90km/h
 Fuel tank capacity 400litres

These MAN's are not to be confused with the much older 1970's MAN 464 model 8x8 chassis. These 1990's trucks are far superior by way of design and manufacture

Videos (if available)

Category	Cargo Trucks	Length	10.27m
Manufacturer	MAN	Height	2.90m
Engine	Deutz 320hp V8 diesel	Width	2.90m
Gearbox		GVW	32,000kg
Brakes		Hrs_Kms	5,000 - 40,000kms
Steering	Power assisted on front 2 axles - LHD ZF DC8096	Date into Service	
Tyres	14.00 R20	Year of Manufacture	
Max Load	15,000kg carrying capacity	Qty Available	20
Electrics	24 volt	Export Requirements ...more	OGEL/SIEL Licence Required
