Mercedes Unimog U1300L Turbo 4x4 Ambulance - MoD Ref: 50568

Details

This vehicle has just arrived and in excellent condition one of the cleanest vehicles available for sometime with only 6,500 kilometres

These are now becoming rarer to obtain and proving a popular choice for overland camper vehicle or can also be supplied a working ambulance in its current configuration

Insulated body with a Eberspacher diesel heater

These vehicles are classed as a high mobility load carrier capable of traversing any terrain.

The design centres around the coil sprung suspension, making them an ideal off road ambulance

These ambulances come with a four stretcher patient litter system with seating for an attendant.

The litters can be configured as additional seating if required for upto 7 persons in the rear body
